## Terms & Conditions

1. This is a minimum bid Absentee Auction, all bids will be handled as if you were present at the Auction, you can submit your bids by telephone, email or by post using the bidding form enclosed. The Auction will be conducted under the terms and conditions of the New Zealand Auctioneers Association and the also under the terms below.
2. Guarantee, We guarantee the descriptions of all items in this catalogue. Any item found to have damage or faults not described may be returned for a full refund within 45 days of the close of the sale. However any manufacturing flaw that does not significantly detract monetarily from the value of the item being sold will not be considered for a refund.
3. Bidding, You may submit your bids using any of the above methods any time after receipt of this catalogue. You may also contact us any time during the auction to check on your bid or find out what the current high bid is on any item. At this time you may raise your bid if you wish.

The following scenario is how our absentee system works:

Suppose you wish to bid on lot 123 and advise us your bid of \$300 on this lot. At the same time another collector who also desires lot 123 bids \$200, then we will post the high bid at \$220. This will be your bid, i.e. 10% higher than the other bid of \$200. If no other bids are received on lot 123 then you will be the successful bidder at \$220 not the \$300 you were prepared to pay.

The highest bidder shall be determined by Kiwi Auctions, in the case of any disputes Kiwi Auctions shall have the final discretion in determining the successful purchaser.

At no time will Kiwi Auctions or its agents divulge the amount of the maximum bid we have received that may be higher than the current posted high bid.

The following are how each bid will be raised:

Simply a 10% increment on the bid received below your bid, or in the case of you being the only bidder on a lot then your bid will be successful at the reserve price.

4. Call Back Service; you can request this service by filling in the appropriate box on the bidding form or by verbal agreement by telephone. However this service is only available on lots with an opening bid value of NZ\$300 or more. The same bidding conditions as described in clause 3 above will apply. All "Call Back" telephone calls are paid for by Kiwi Auctions Ltd. Given the diverse time zones of our customers it may take several days for all "Call Back" bids to be completed. Please note that you will never be told what your competitors high bid is during the bidding. Where possible please provide us with home, work or mobile numbers and the best time to contact you.

### ALL BIDDING IS IN NEW ZEALAND CURRENCY
